Arwil Martin Paraiso *UI & UX Developer*

Los Baños, Laguna arwilmartinparaiso.tech@gmail.com 09657839801 linkedin.com/in/arwilparaiso
Portfolio: nezradev.me github.com/NezraDev

Summary

Computer Science student with hands-on experience in UI/UX design and frontend development through client, academic, and self-initiated projects. Seeking to contribute my skills in Figma, React, and user-centered design while growing as a UI/UX Developer.

Technical Skills

Design Tools: Figma, Canva, Adobe Photoshop
UI/UX Skills: Basic UI Design, UX Fundamentals, Design Principles, Wireframing, Prototyping, User Flows, Responsive Design
Front-End: HTML5, CSS3, JavaScript, React, Tailwind CSS
Collaborative Tools: Git, GitHub, Visual Studio Code

Professional Experience

Laguna State Polytechnic University - Extension Program, *Training Assistant* 04/2025 – Present | Los Baños, Laguna
- Assisted 5 professors and 100+ stakeholders in software and hardware training sessions by supporting user onboarding, process documentation, attendance tracking, and coordination of trainee activities, contributing to a well-structured training experience and achieving ~95% positive post-evaluation feedback.

Laguna State Polytechnic University - Extension Program, *UI & UX Developer* 11/2024 – Present | Los Baños, Laguna
Technologies: Figma, React
Digital Survey Management System
- Designed and developed a user-friendly digital survey page as part of a 10-member team, transforming paper-based surveys into a digital system across 8 departments and 28 offices, resulting in approximately 60% faster processing and improved efficiency.

Municipal Resident Management System (Batong Malake Municipality)
- Led UI/UX design and frontend development of a data management dashboard page for 10,000+ resident records in a 3-person team, collaborating with municipal stakeholders to translate Excel-based workflows into a centralized digital system. Improved filtering, usability, and data accessibility, increasing retrieval efficiency by ~40–60% for municipal staff.

Education

Bachelor of Science in Computer Science, 08/2024 – Present | Los Baños, Laguna
Laguna State Polytechnic University - LB Campus
Dean's Lister | GWA: 1.23
Thesis Title : A Physics-Guided Ensemble Learning Pipeline for Urban Flood Forecasting Utilizing Multi-Source Data Fusion - ***In Progress***
- Designing and developing a prototype flood forecasting system for Bangkok, Thailand to support data-driven urban flood prediction and risk assessment.

Selected Projects

HEAL, *UI Designer (Client-Project)* 05/2026
- Designed a user-centered interface for a medical appointment mobile app system, creating wireframes and high-fidelity prototypes that streamlined appointment booking functionalities within a 1-day turnaround, earning a 98% evaluation score from the client's professor for design quality and usability.

Singapore University of Social Sciences, *UI & UX Developer (Client-Project)* 01/2026 – 04/2026
- Developed the frontend interface of a digital magazine management system for the Singapore University of Social Sciences, delivering a responsive reading experience supporting 10,000+ users and 100+ digital magazines.
- Designed and developed responsive interfaces that improved digital magazine accessibility through downloadable and flipbook viewing experiences.

Magify, *UI Designer (Self-Project)* 12/2025
- Designed a magazine management system interface as a self-initiated project, creating wireframes and high-fidelity designs for magazine browsing and content management features, improving UI/UX skills in user flow, layout design, and usability.

Fitness Go, *UI Designer (Academic Project)* 04/2025
- Led UI/UX design of a fitness mobile application focused on workout features in a collaborative academic project, driving user flow design and interface layout, earning a 99% project grade for design quality and usability.

Leadership and Community Involvement

Legion of Lures Esports, *President* 08/2025 – 07/2026 | Los Baños, Laguna
- Led an esports organization promoting balanced gaming and academics within the LSPU-LB student community, securing partnerships with 4 major sponsors (HyperX Philippines, Mountain Dew, Qanba, Moonton), and organizing 10 onsite esports events with 10,000+ total participants and audience reach, improving student engagement in gaming initiatives.

Moonton Student Leader Philippines, *Student Leader of LSPU-LB* 07/2025 – 07/2026 | Los Baños, Laguna
- Hosted and facilitated monthly student community activities, demonstrating leadership and coordination across 5,000+ total student participants over the entire tenure.

Recent Awards

Best UI/UX Feedback Contributor (Beta Testing) MORE Rides, *More Ventures* 04/2026

Figma Design Competition Champion, *College of Computer Studies, LSPU-LB* 04/2026

Excellence Award Gender and Development - Residency Management System, *Brgy. Batong Malake, Los Baños, Laguna* 04/2026
